

**Control Valve Application Sheet**

		Pipe Size (Inches)												
		1/2	3/4	1	1-1/4	1-1/2	2	2-1/2	3	4	5	6	8 ... 20	
Central Plant	Thermal Storage						Butterfly Valve							
							Flanged Globe Valve							
	Cooling Towers						Butterfly Valve							
							Flanged Globe Valve							
	Boiler System						Butterfly Valve							
							Flanged Globe Valve							
	Chiller System	Threaded Globe Valve												
							Butterfly Valve							
	Heat Reclaim	Threaded Globe Valve												
							Flanged Globe Valve							
Greenhouse Applications	Threaded Globe Valve													
Heat Exchangers (Steam)	Threaded Globe Valve													
Air Handling Units	Humidifiers	Threaded Globe Valve												
							Ball Valve							
							Flanged Globe Valve							
	AHU Heating and Cooling Coils	Threaded Globe Valve												
					Ball Valve									
						Flanged Globe Valve								
Unitary Equipment	Fan Coil Units	VU Fan Coil Valve												
		VC Cartridge Cage Valve												
		Cartridge Globe Valve												
	Unit ventilators	VU Fan Coil Valve												
		VC Cartridge Cage Valve												
		Cartridge Globe Valve												
	Unit heaters	VC Cartridge Cage Valve												
		VU Fan Coil Valve												
		Cartridge Globe Valve												
	Reheat Coils	VC Cartridge Cage Valve												
		VU Fan Coil Valve												
		Cartridge Globe Valve												
	Blower Coil	VU Fan Coil Valve												
		VC Cartridge Cage Valve												
	Convectors	VU Fan Coil Valve												
		VC Cartridge Cage Valve												
		Cartridge Globe Valve												
	Radiant Panels	VC Cartridge Cage Valve												
		VU Fan Coil Valve												
		Cartridge Globe Valve												
Chilled Ceiling	VC Cartridge Cage Valve													
	Cartridge Globe Valve													
		1/2	3/4	1	1-1/4	1-1/2	2	2-1/2	3	4	5	6	8 ... 20
