SUBJECT: Announcement of Updated Savings Estimator

BULLETIN: 09-0169

Announcement of Updated Savings Estimator

Honeywell has updated the Demand Control Ventilation (DCV) Savings Estimator. Please use the procedure below to update your savings estimator file.

DCV Savings Estimator Updates

Updates to the DCV Savings Estimator include:

- A bug fix to some weather data. Dallas and El Paso weather files were previously switched.
- New schedules for the small office, classroom, and auditorium.
- Change to the handling of fan cycling during occupied periods.

How to Download

Please use this procedure to update your files:

1. Remove any older versions of the savings estimator that you have stored on your computer
2. Go to the website at <http://customer.honeywell.com/economizertools>
3. Click on the 2000 demand control ventilation savings estimator file
 - a. Note the file size is 37 MB
4. Click on open
5. When complete – double click on .exe file
6. Read license agreement and click on “I agree” button
7. Click on next – keep checkmark for desktop icon
8. Click on install
9. Click on finish
10. Find the icon on your desktop and start the program
