

VFF Butterfly Valves

A COMPLETE LINE FOR ALL OF YOUR
PNEUMATIC AND ELECTRIC CONTROL NEEDS

2-Way Valve

3-Way Valve

- Broad range of sizes from 2" to 20" available
- Low friction nylon disc allows for lower cost actuator choices. Use Honeywell direct coupled actuators for sizes up to 8"
- Variety of actuator options, choose from electric, electronic, pneumatic, or manual
- Factory assembled, saves field installation time and ensures reliable operation
